ATTENTION: OFFICIAL DRAFTSPERSON

Sir:

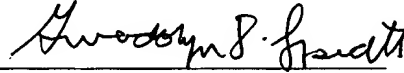

Submitted herewith are four (4) sheets of replacement formal drawings (Figures 2, 3, 5, and 6) for the above-identified patent application. Through Applicants own investigation, Applicants have become aware that problems may exist with some of the formal drawings previously submitted on June 9, 2004 pursuant to the request for formal drawings mailed on September 10, 2001 in paper number 7. Thus, this submission is a resubmission of some of the formal drawings

that were previously submitted. Because no official request for the drawings has been made, the present submission is being made out of an abundance of caution.

Respectfully submitted,

NEEDLE & ROSENBERG, P.C.
